Subj: OPERATIONAL DRESS UNIFORM (ODU) SALE -012/08

1. To pave the way for the untucked version of the Coast Guard Operational Dress Uniform (ODU), the Coast Guard Uniform Distribution Center (UDC) in Woodbine, NJ is offering certain sizes of the current tucked ODU at two-for-the-price-of-one. Inventory levels of these certain sizes must be liquidated to make it possible to stock the untucked ODU once development and manufacturing are complete.
2. The current tucked ODU is expected to be authorized for Coast Guard military personnel through 2010. It will be authorized for Coast Guard Auxiliary wear until no longer serviceable. The untucked ODU is not expected to be available for Auxiliary purchase until late 2008. Both coats and trousers of the untucked ODU will differ from their current tucked ODU versions.
3. Additional information and specific sale sizes can be found at the ODU web site [www.uscg.mil/uniforms](http://www.uscg.mil/uniforms) under the "ODU Sale" link. If you place an order for one of the sale sizes, you will see one on your invoice copy at the regular price, but will automatically be shipped two of that particular size (e.g. - pay for one OC32L and be shipped two OC32L's). The non-invoiced ODU will have an identifying mark on the size tag to prevent erroneous returns.
4. The UDC Return Policy will remain the same for this sale. If you need to return or exchange a purchase made under this sale, BOTH of the same size items will need to be returned. To return or exchange, a readable copy of the invoice and the completed UDC Returns Form must be included for consideration.
5. The purpose of this list is to keep Auxiliarists as well as all other interested parties abreast of current developments, policies, manuals, etc. All information contained herein and linked is OFFICIAL policy and information.
6. Internet Release and Distribution is Authorized.
